To a gal I like
Gladys Larson

Marge Darling,

I almost always in your
write lengthy letters this will
annual and I guess this will
be another one. You have always
been a tops sister and I hope we'll
always be as good friends as we have
in the past. I think you're perfect!
Love always,
"Harrie"
D.V.C.

To a swell kid
Bud Smith

Good Luck to a darling
girl. I wish I knew
you better.

Love,
Gladys Daley

Dear Marge,
I've never
gotten tired of
watching you.
You're the most
different person
I know.
"Harrie"

Best of Luck
Tom Porteus

To the sweetest & kindest
Love, Love B.

To a cute kid -
Vance Stanton

To a very cute girl and
a swell D.V.C.
Helen Zuck

To a darling girl
I like
D.V.C.

Lots of Luck and stuff
Frank Hedrick.

Letter of Love
Mato Smith

Loads of love
and thanks for the
swell date.
Tex Blanchard

Go a meat girl
Mato
Pember

To the cutest
of them all I'm
so glad you're
one of my sisters.
Love Ellie
D.C.

to one of my
dearest friends.
Mr. Cashman is of
them. Wows

aside May. Yours grand
Barnett Melant

HERE IT IS!

Your 1942 Empehi

MAJOREL CAHMAN
10882 PROSPECT AVENUE
CHICAGO, ILLINOIS

THE STAFF STOOD ON IT'S HEAD

THE STUDENTS CLAMORED

There was an awful jam! More photos than we could use. More copy than space. Boy how they worked and finally it was all over but the shouting, and they shouted for

Empehi.

the 1942

WE HAD GRAND VIEWS . . . ACTION
PHOTOS AND PICTORIALS
SO WE USED THE BEST OF THEM ALL

BUT IT WASN'T ALL A SNAP

*The photographers put hours in these pictures
. And the rest of us put the same on
copy Nor did it sell itself We
even sold ads galore and your pictures*

TO *Miss Alma Bauman*

WE PAY TRIBUTE

*T*O THE backbone of the Empehi News Staff, we happily but without her knowledge dedicate the 1942 Empehi Annual.

With her snapping blue eyes, ready sense of humor and understanding, Miss Alma Bauman is indeed the friend of the Morgan Park students. As adviser of Quill and Scroll, national honorary Journalistic Society, she again shows her interest in the literary and artistic talents of her pupils. So with sincere appreciation of her untiring efforts Empehi says, "Hats Off to Miss Bauman."

"Life During Your 42's"

Another year rolls around and another Annual is produced. New faces and old faces, new fashions and old fashions but through it all the spirit of Empehi appears to be just about the same.

Every year the Annual is different in some respect. This year it seems to be different in all respects. The theme of the Annual this year is informality and we have carried it all the way through the book. More candid shots, more informal drawings, better pictures, peppier write-ups and many more things that we thought would appeal to the students were added in order to give the students of Empehi an Annual they will long be able to remember.

A lot of work has been accomplished by the staff but also a lot of fun because these annuals are a symbol to the students. A symbol of the fun, work, hardships, and friends they have known during their high school days. Every annual has a special significance to all of the students. It helps to keep in mind the different clubs and activities to which a pupil has belonged. Each student cherishes his yearbooks and many years later he will no doubt delight in showing them to friends, pointing out the people he knew, and important events that he so clearly remembers.

Clubs, committees, and sports are all part of a student's everyday life. Take them away and what do you have? A regular grind, the same old story of reading, writing and 'rithmetic. The outside curricular activities are all symbolic of the many happy hours spent at Morgan Park high school. It is only fair that they have some souvenirs of Empehi to take with them after they are out on their own.

We have done our best, what with perfect co-operation from the students, from the faculty, and from many outsiders who have helped by giving their support. It has been a hard job to include everything but we have tried and we hope, succeeded. Now that it is completed, we are happy to present to you the 1942 Annual!

The Staff

Dr. Eston V. Tubbs

Dr. Eston V. Tubbs completes his sixth year as principal of Morgan Park high school with the knowledge that he has again accomplished his most important task, that of placing in the minds of our students the ideas of democracy and higher learning. He advocates the introduction of courses that will tend to build character and give the students a better understanding of their friends and families. Such is the Human Relations course, introduced by Dr. Tubbs, who teaches a current course on International Relations. Dr. Eston V. Tubbs has every right to be proud of the self-governing student body which successfully rules the school.

“To the Seniors in Their 42’s”

SINCE WRITING MY last message for the Empehi Annual, our country has been confronted with world-shaking events. This time last year, we were still at peace with the world. Today, we are joined in conflict with the forces of evil which would, if they could, impose upon us a way of life altogether foreign to our national traditions of liberty, freedom, individual initiative, and equal opportunity.

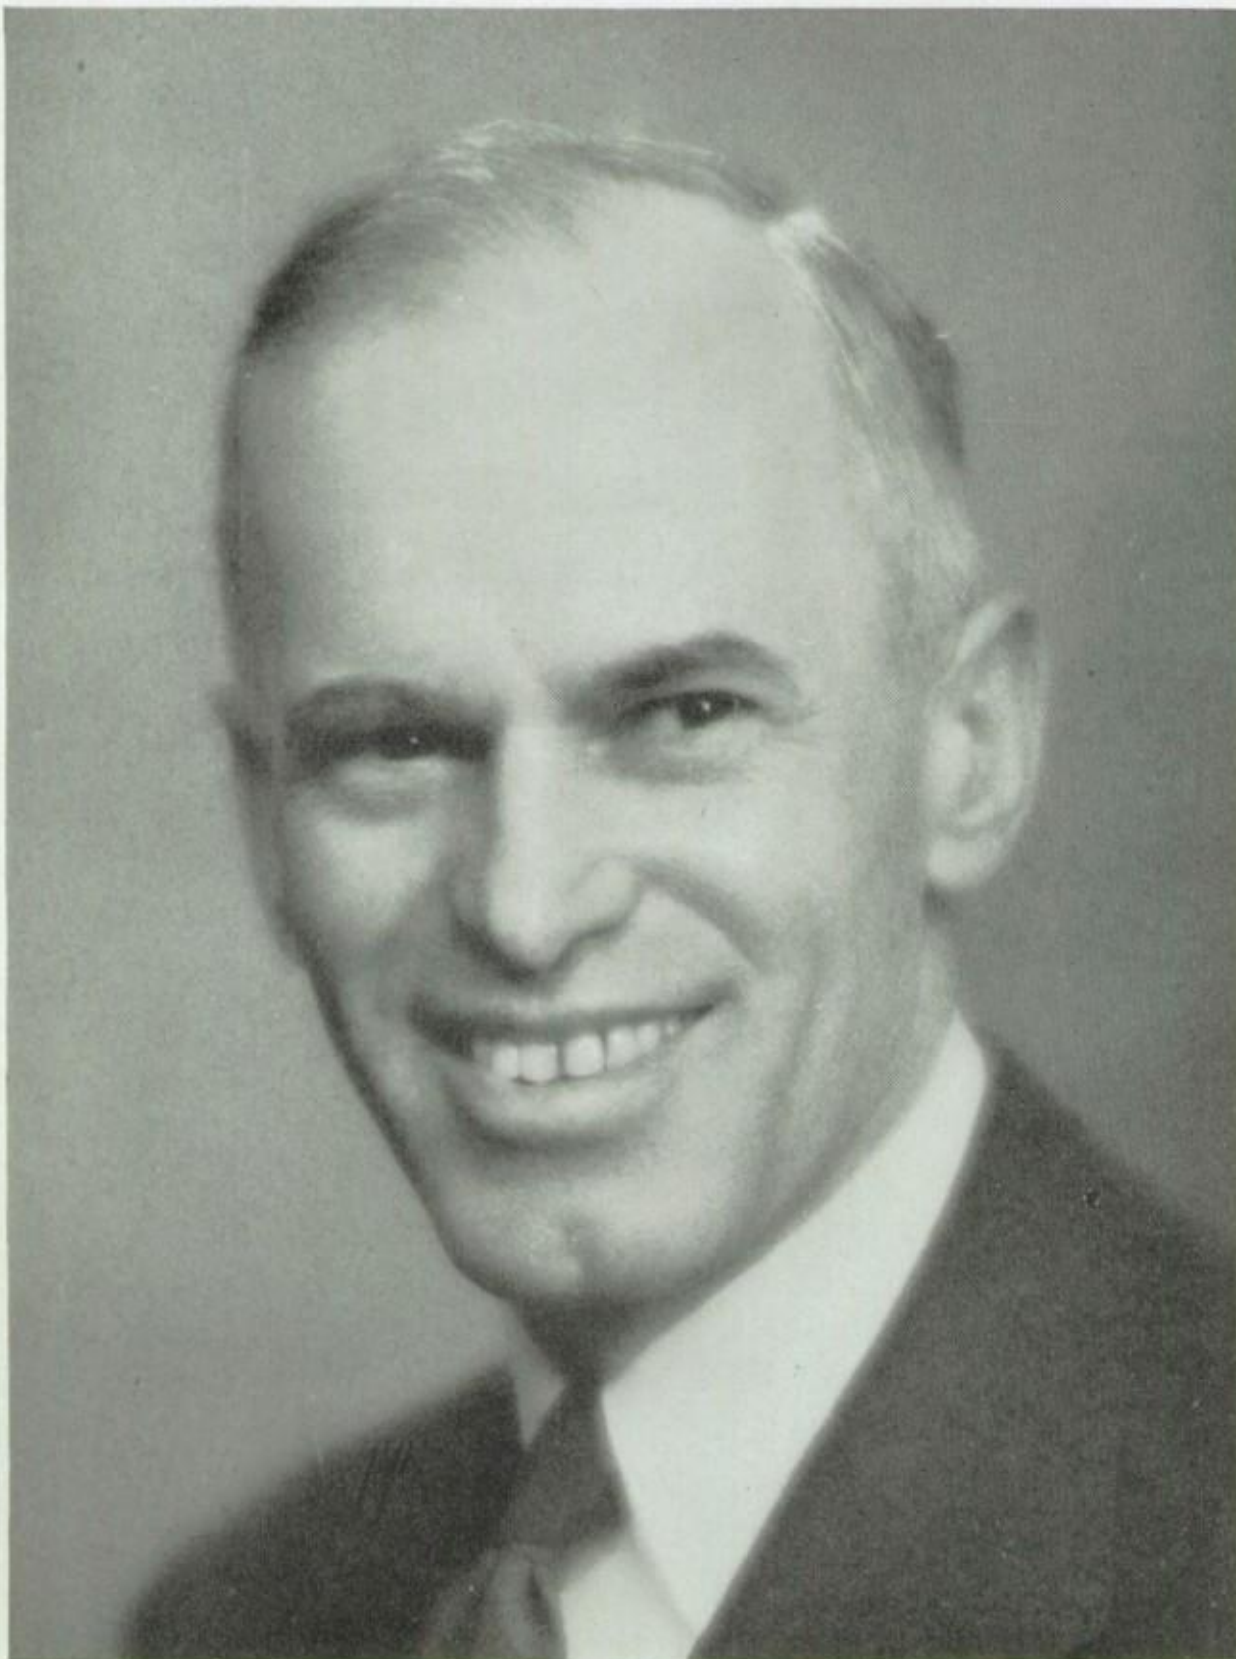

Our achievements in certain directions have been nothing short of phenomenal. Today we are able to determine the substances of which stars are made. Our airplanes outfly the birds of the air. Our submarines prowls in the depths of every ocean. The power of our streams is used to light our cities, turn the wheels of industry, and fill the air with the concord of sweet music. But we must not forget the more important of life's imperatives. Harry Emerson Fosdick sometime ago said, "If we fail to recognize the supremacy of spiritual values, the pall bearers, who have carried out previous civilizations, await at our door."

How long will our country endure? Will it, too, go the way of Greece, Rome, and other nations? The answer to these questions must be answered by each individual citizen of the United States. If we are determined to remain steadfast to the ideals upon which our Republic was founded, our future will be secure. We must regard such things as freedom of the press, freedom of religious worship, freedom of speech, right of assembly, trial by jury, right to own property, free education, and free choice of occupation as pearls of great price—the foundations of our democratic way of life.

For the past six years, we have endeavored, in our class work at Empehi and through the activities of the American Youth League, to learn the real meaning and significance of our great democratic heritage. The acid test of what America stands for now confronts us. The crucial moment is at hand for us to give all that we have by way of willpower, determination, self-denial, loyalty, and devotion to our country. We must win this war in order to pass on, unsullied to future generations, the greatest hope of earth—one nation, indivisible, with liberty and justice for all. This is America! We shall not fail in this time of crisis.

ESTON V. TUBBS

*C*APTAIN GEORGE G. LORENTZ has the rare abilities required of an active Assistant Principal. He is able to maintain strict but fair discipline throughout the student body. At the same time he shows the uncanny ability to inspire co-operation among the students. Because of his unfailing good humor, "Cap" is often induced to participate in the various assemblies and student activities. He is very active in building up the Student Association and under his guidance we have all had much valuable character training experience, which has more fully prepared us to meet adulthood with a clear knowledge of what is going on. He seldom misses a game and his enthusiastic cheerleading and cartwheels have spurred our teams to many a victory. Truly, his popularity with Empehites has no equal . . .

*Captain
G. G. Lorentz*

PART ONE . . . PEOPLE

The **COOPERATION . . .**

of students was surely an asset for they didn't hesitate a minute to wash their faces and trip down to look at the birdies, and are they proud to be seen in the 1942 Empehi . . .

People

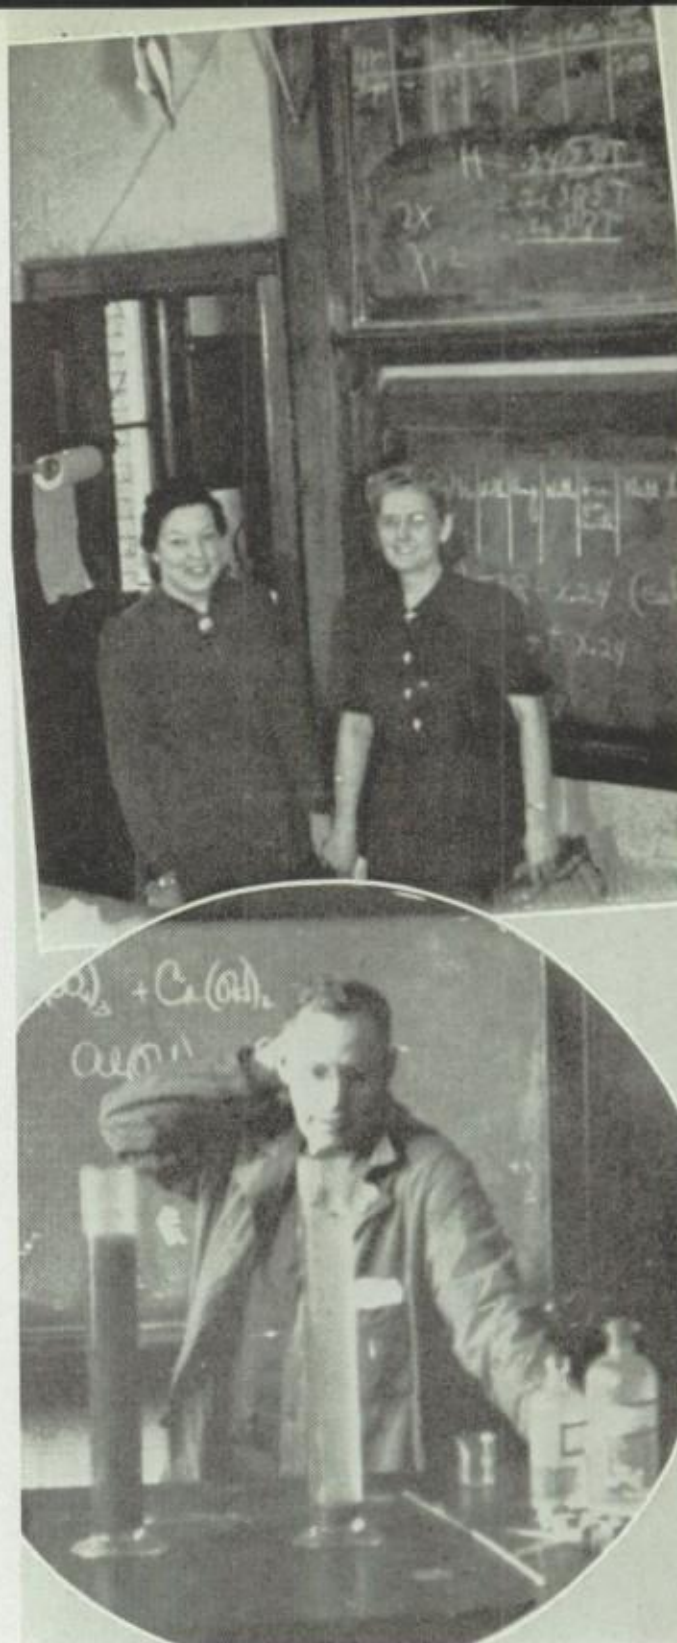

A Day at Empehi

Teach!

One of the main ideas of modern education is the relationship between the students and their faculty. The Morgan Park teachers not only excel in teaching, but also in advising the students. All the members of the faculty are well liked by the students because of their outstanding personalities and wonderful understanding of high school student's problems and activities. Because of relationships such as these, Empehites feel perfectly at ease in asking their Faculty members to give up their time to sponsor dances, clubs, and other extra curricular activities.

Morgan Park has one of the largest programs of this kind for a school of its size. The enthusiasm of our club sponsors encourages us to yearly make our organizations more outstanding. The teachers also aid students who are going to college in deciding what schools best suit their individual abilities.

Empehi's Placement Council helps graduates secure good positions after finishing their high school career. It also gives students needed advice and helpful suggestions concerning the best way to apply for a job, and other needed requirements in facing one's business career. It aids the student who has a job after school by getting him a program to fit in with his work. The Adjustment Department, which seeks to smooth over difficulties and to help the students in their school work, has been greatly enlarged because of a demand for such a department.

MISS HOYLER

MRS. CELLA

DOC. WATSON

The vocational guidance service for the Juniors and Seniors; a branch of the National Youth League, which finds jobs for needy students; and the Parent-Teacher Association promotes co-operation between the home and school by bringing the parents and teachers closer together, and in this way they solve many of their local problems. They are all a regular part of the Morgan Park program.

Under the excellent leadership of our genial principal, Dr. Eston V. Tubbs and assistant principal Captain George G. Lorentz, our ambitions and ideals are easily fulfilled. With the motto, "Tops

in everything we undertake," the achievements of our aims seem very easy, and with a faculty like ours, Morgan Park is bound to get ahead.

February Senior Class Officers...

PRINGLE
O'SHAUGHNESSY

LOFGREN
BROWN

One hundred and thirty-seven February graduates said their fond adieus to Morgan Park, January 28, 1942, following a fully packed social week.

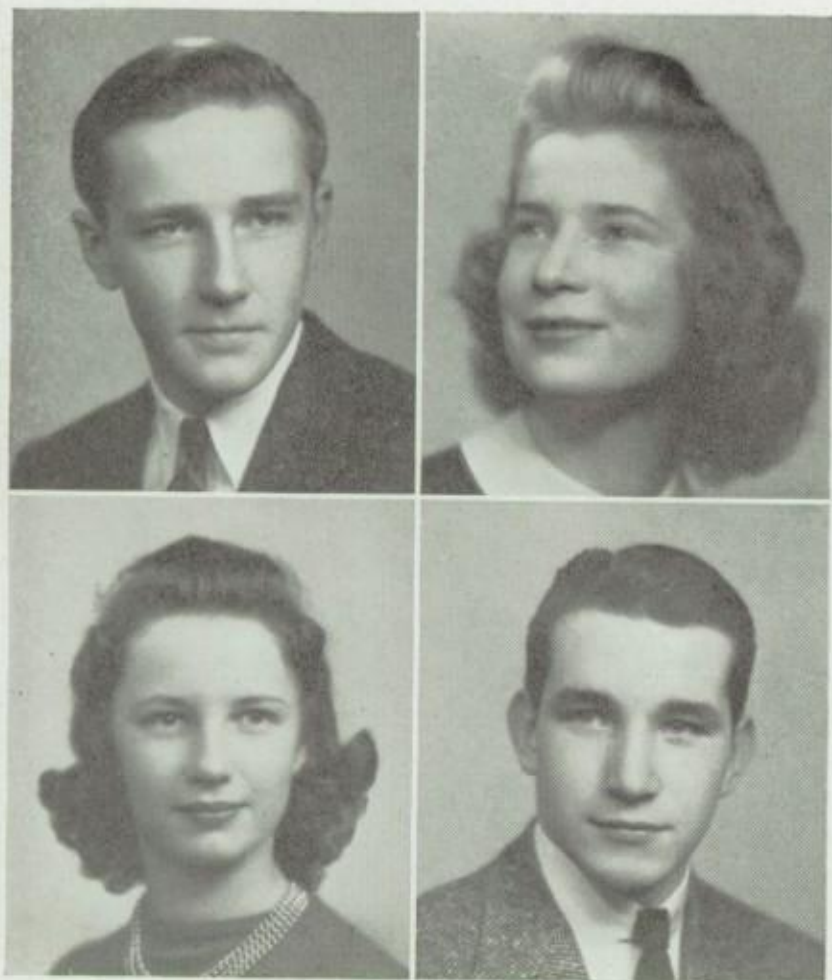

The class banquet, arranged by Marion Speropolous and Sally Lofgren was held at the Nantucket. Eloise Fischer was in charge of the grand Prom which was again held at the Knickerbocker Hotel for the third consecutive year. The Grand March was led by the very capable officers Robert Pringle, president; Sally Lofgren, vice-president; Rosemary O'Shaughnessy, secretary; and Paul Brown, treasurer; to the music of Carl Schrieber and his orchestra.

The commencement program was capably managed by Dick Fryer and Charles Stevens, who also took care of the class rings. Marion Wall had the hard job of measuring and ordering caps and gowns for the graduates, which she did very well.

Bernadette Pearson and her committee presented the school with a lovely and very useful gift, a microphone which is being used on the stage. This, however, was also partly managed by Paul Brown who was chairman of the Budget Committee.

Many thanks are due Mrs. Dorothy Cella who was the guiding hand of the class as their faculty adviser, and who also helped manage the difficult money matters.

So good-bye to another grand class which is leaving the familiar routine of Morgan Park.

PRINGLE
PEARSON

LOFGREN
FRYER

Dick Fryer, one of the outstanding February graduates, combines the rare abilities of scholarship, leadership, and athletics. As one of Empehi's outstanding athletes, Dick was captain of the 1941 football team; he was vice-president and treasurer of his Junior class; a member of the National Honor Society and the Student Court.

The Empehi newspaper staff has been proud to claim Bernadette Pearson as first page editor. She is an excellent example of a scholar, having been in Tau Epsilon for seven semesters and president of the National Honor Society. To further describe her journalism ability we can add that she was an active member of Quill and Scroll.

Senior Personalities...

"Tops" in popularity best describes Sally Lofgren. Her reputation as an excellent leader has brought Sally the honor of becoming the Treasurer of her Junior Class, president of the 4B class and vice-president of the 4A class. Sally was a member of Tau Epsilon and the National Honor Society and her excellent work as Editor-in-Chief of the Empehi News is no doubt a forerunner of journalistic fame.

Bob Pringle, a real athlete was president of the Boys Emblem Club and also president of his graduating class. Tau Epsilon has been proud to claim his membership for four years. As a member of the 1941 Football team Bob was awarded medals for sportsmanship and for being the most valuable member of the team.

June Senior Class Officers...

OLSEN
SHEVLIN

DASHER
PRUTER

The many activities that preceded graduation were headed by Ralph Olsen, president; Mary Emily Dasher, vice-president; Shirley Shevlin, secretary; and Walter Pruter, treasurer. The June Class of 1942 will long be remembered at Empehi because of its liberal ideas in student government and its many outstanding students.

The annual senior banquet that everyone looks forward to was arranged by Mary Emily Dasher. It was a huge success. The all important job as chairman of the committee for commencement was given to Jim Love, who arranged all of the details of the program, including the decorations and the diplomas. The Gift Committee was under the able direction of Dave Katzmann. The seniors dropped their dignified cloaks long enough to present the senior play, directed by Bob Sabel, with help from the senior class. The story took place in a radio station and was one of the most amusing ones ever to be given. Dorothy May had complete charge of the caps and gowns. The committee that selected and distributed the announcements was under the supervision of Betty Champion.

In bidding a sad farewell, two hundred and forty seniors will look hopefully into the future, not knowing what to expect but always knowing that they have spent four useful and enjoyable years at Empehi.

FITCH
EKLOFF

GARDNER
OLSEN

The most honored position in the student body was held by Charles Fitch this past year as president of the S. A. Because of his excellent work on the football team, he was elected head of the Athletic Commission. Clubs which claimed his membership are the Latin Club, Tau Epsilon, and Quilpen, of which he was vice-president. "Charlie" was voted most popular boy in his class and with his ability he will go far.

Ralph Olsen combines the abilities of high scholastic standing with leadership. He held the highest position possible to obtain in the R.O.T.C. as Lieutenant-Colonel. He has been a member of Tau Epsilon for four years, secretary during his third year, and is treasurer of the National Honor society. Ralph is

Senior Personalities...

also president of his Senior Class.

Smiling, capable Judy Gardner has fulfilled a very active four years at Empehi. Even as 2nd vice-president of the Student Association she found time to continue her excellent grades, and to become a member of the French Club and the National Honor Society.

June Ekloff has the rare ability of combining leadership, dependability and friendliness. She has been co-editor-in-chief of the Annual, secretary and president of the Zoology club, vice-president of Quill and Scroll, a member of Tau Epsilon, the Promotion Committee and the French club. These and other activities have made her one of our outstanding students.

"Making Football History"

Having lost 15 lettermen from last year's squad, the Mustang grid machine found the going a bit tough, winning only two games, losing four and tying two.

The hard charging linemen and the fleet footed backfield stars all gave a very creditable account of themselves from the starting eleven to the last reserve.

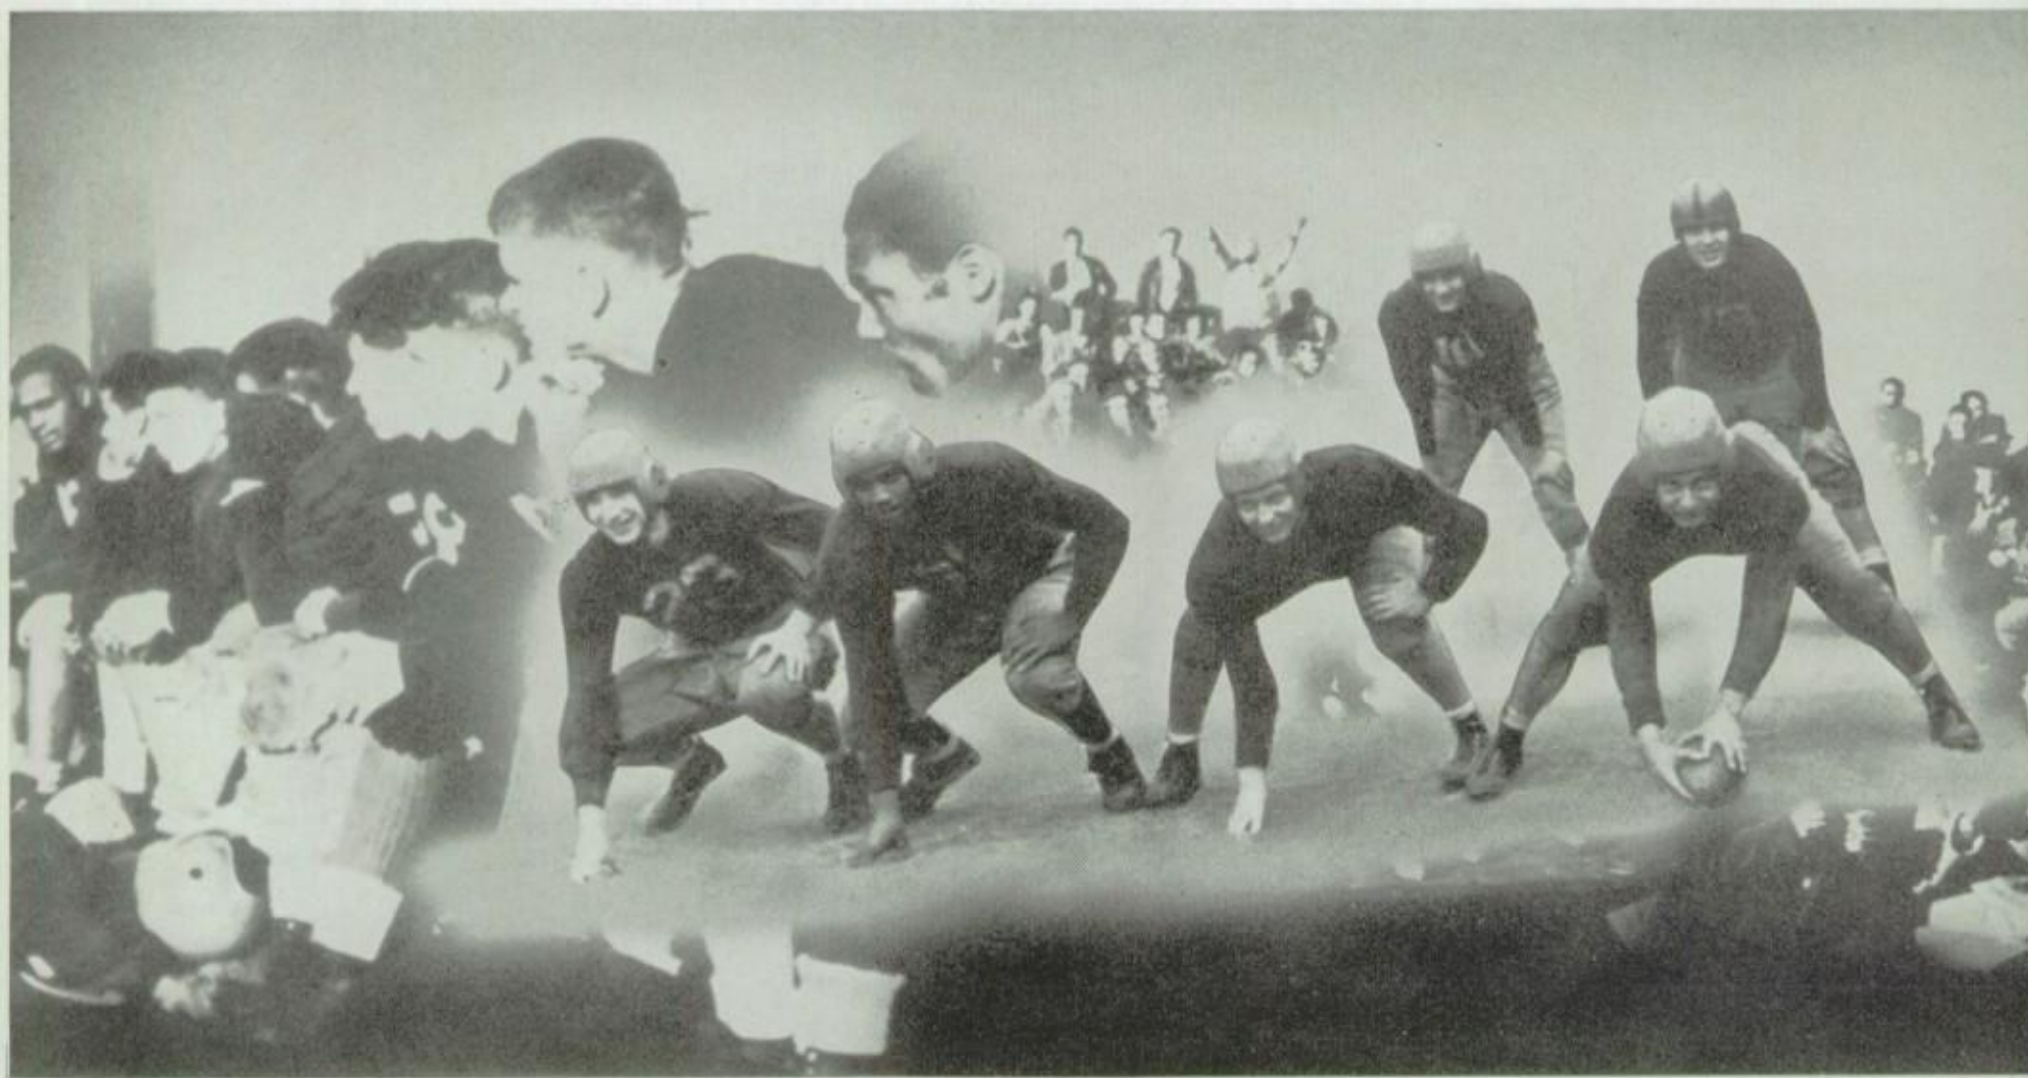

The two ends, Captain Dick Fryer, and Bob Pringle, voted the team's most valuable player, are long to be remembered at Empehi for their outstanding work on the gridiron.

Along with them are Bob Kellum and Bill Bliss, whose spirit and loyalty proved a great help to the squad. They held down the tackle positions aided

greatly by Cliff Keddle and Jack McBride. Taking care of the guards were Charles Fitch and Lawrence "Joe" Copeland, "Joe" being chosen as first string guard in the South section. The center of the line was very ably handled by Ed Karko, one of the best linemen in the city.

The hard plunging of Bruce Chapel will always be remembered as will the running and passing of Fred Ballantine. The assistance of Ed Cornwall, Paul Brown, and Phil Mitchell also proved invaluable. Besides these there are Ray Jones, George Muiyler, Bert Schmidt, Angus Cotton and Don Ingham.

"A Season on the Gridiron"

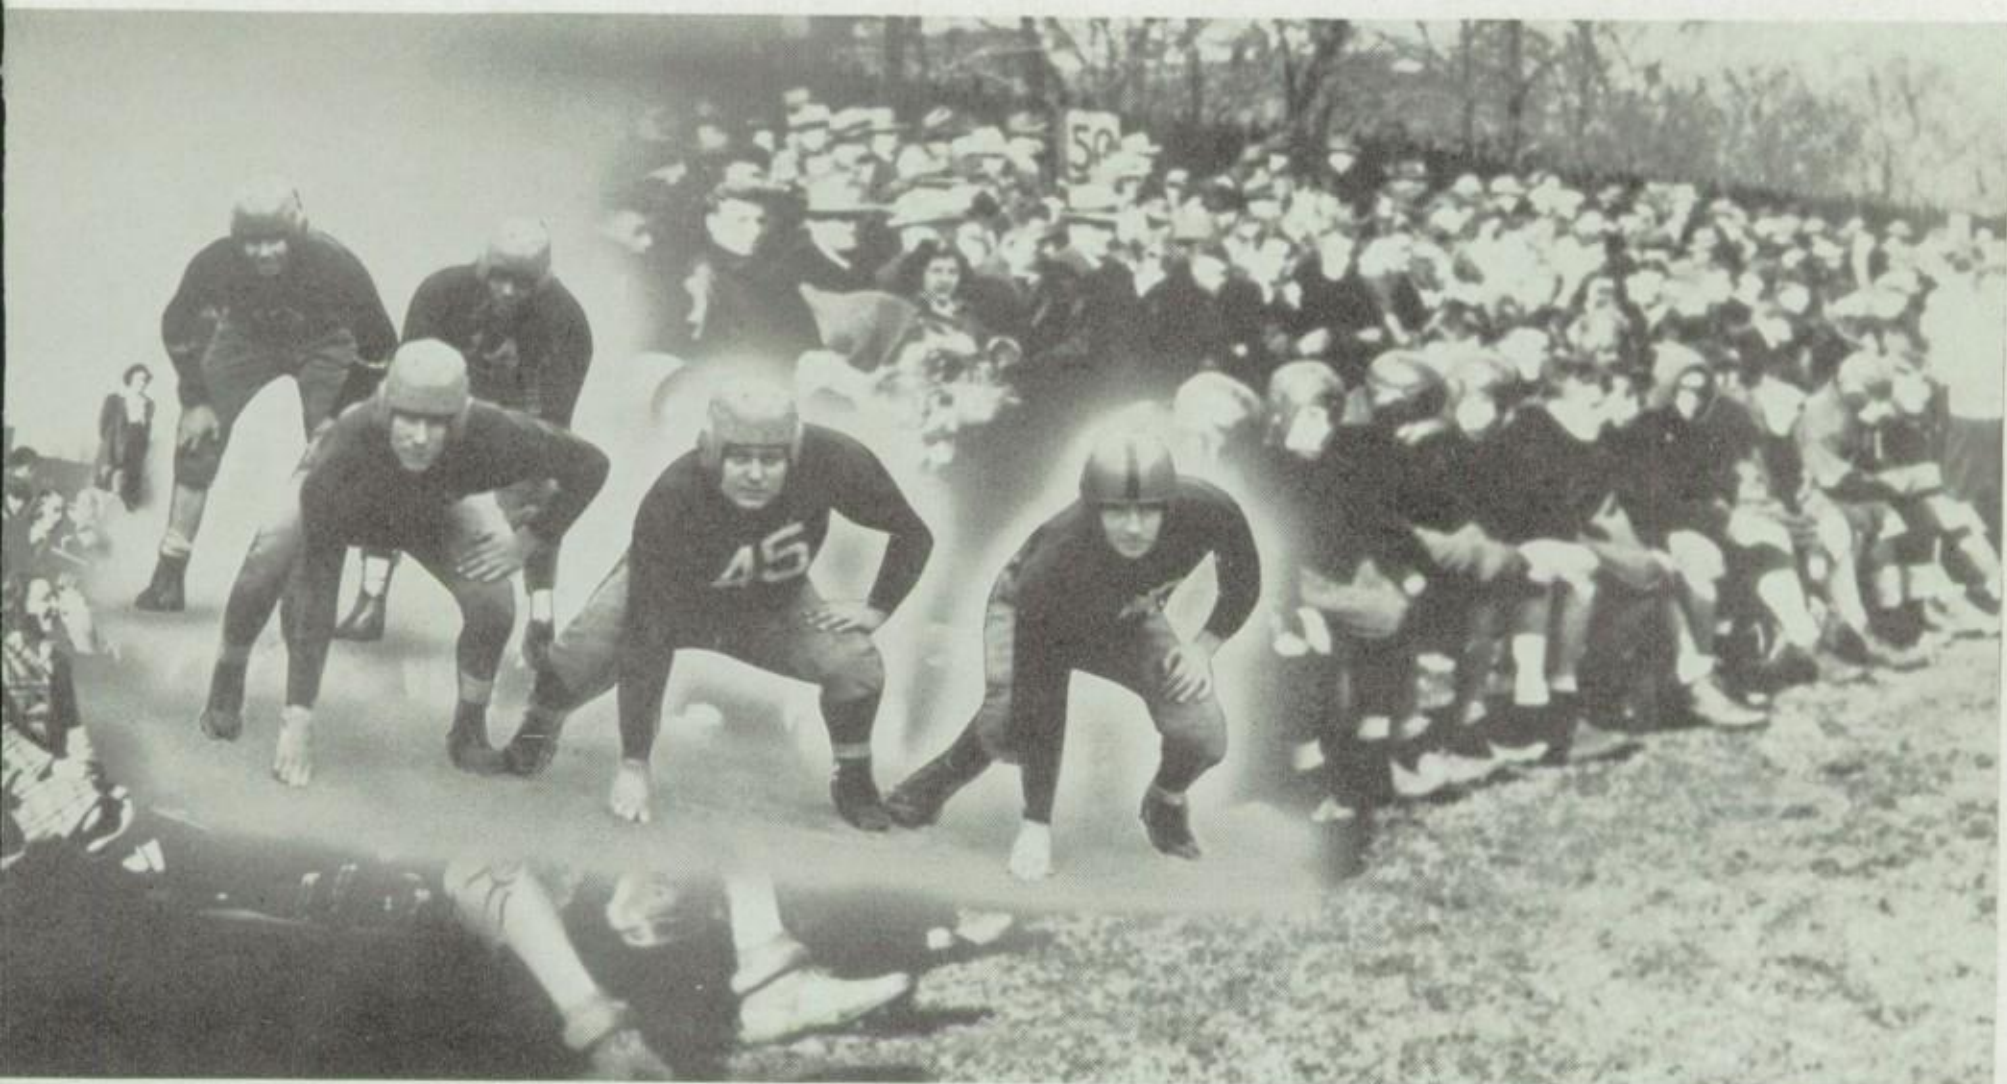

In spite of the loss of 15 players from the previous year Morgan Park's gridgers finished in a fifth place tie. Although their record isn't the best, the discovery of a number of outstanding stars such as George Muyller, Cliff Keddie, and Bert Schmidt make the prospects for next year look very bright. Due to the entrance of South Shore into the league there were no pre-season practice games scheduled.

In their initial game the Mustangs met Harper under the mazdas. Both teams were unable to score for three and a half quarters until Bert Schmidt blocked a punt and ran 35 yards after picking

up the loose ball for the only score of the game. Outstanding play by Cliff Keddie and Dick Fryer was a large factor in the victory for Morgan Park.

Calumet fell before the Mustangs in the second game, also played under the lights, by a score of 14-6. Again Bert Schmidt paved the way to victory, first on a 72-yard jaunt which featured some beautiful down-field blocking by Charles Fitch, Fred Ballantine and "Joe" Copeland and later on an 88-yard run back of an intercepted pass.

Entering the Fenger game undefeated the Empehi eleven played hard for sixty minutes but couldn't hold the fast

BALLANTINE MITCHELL
COPELAND

BLISS

PRINGLE

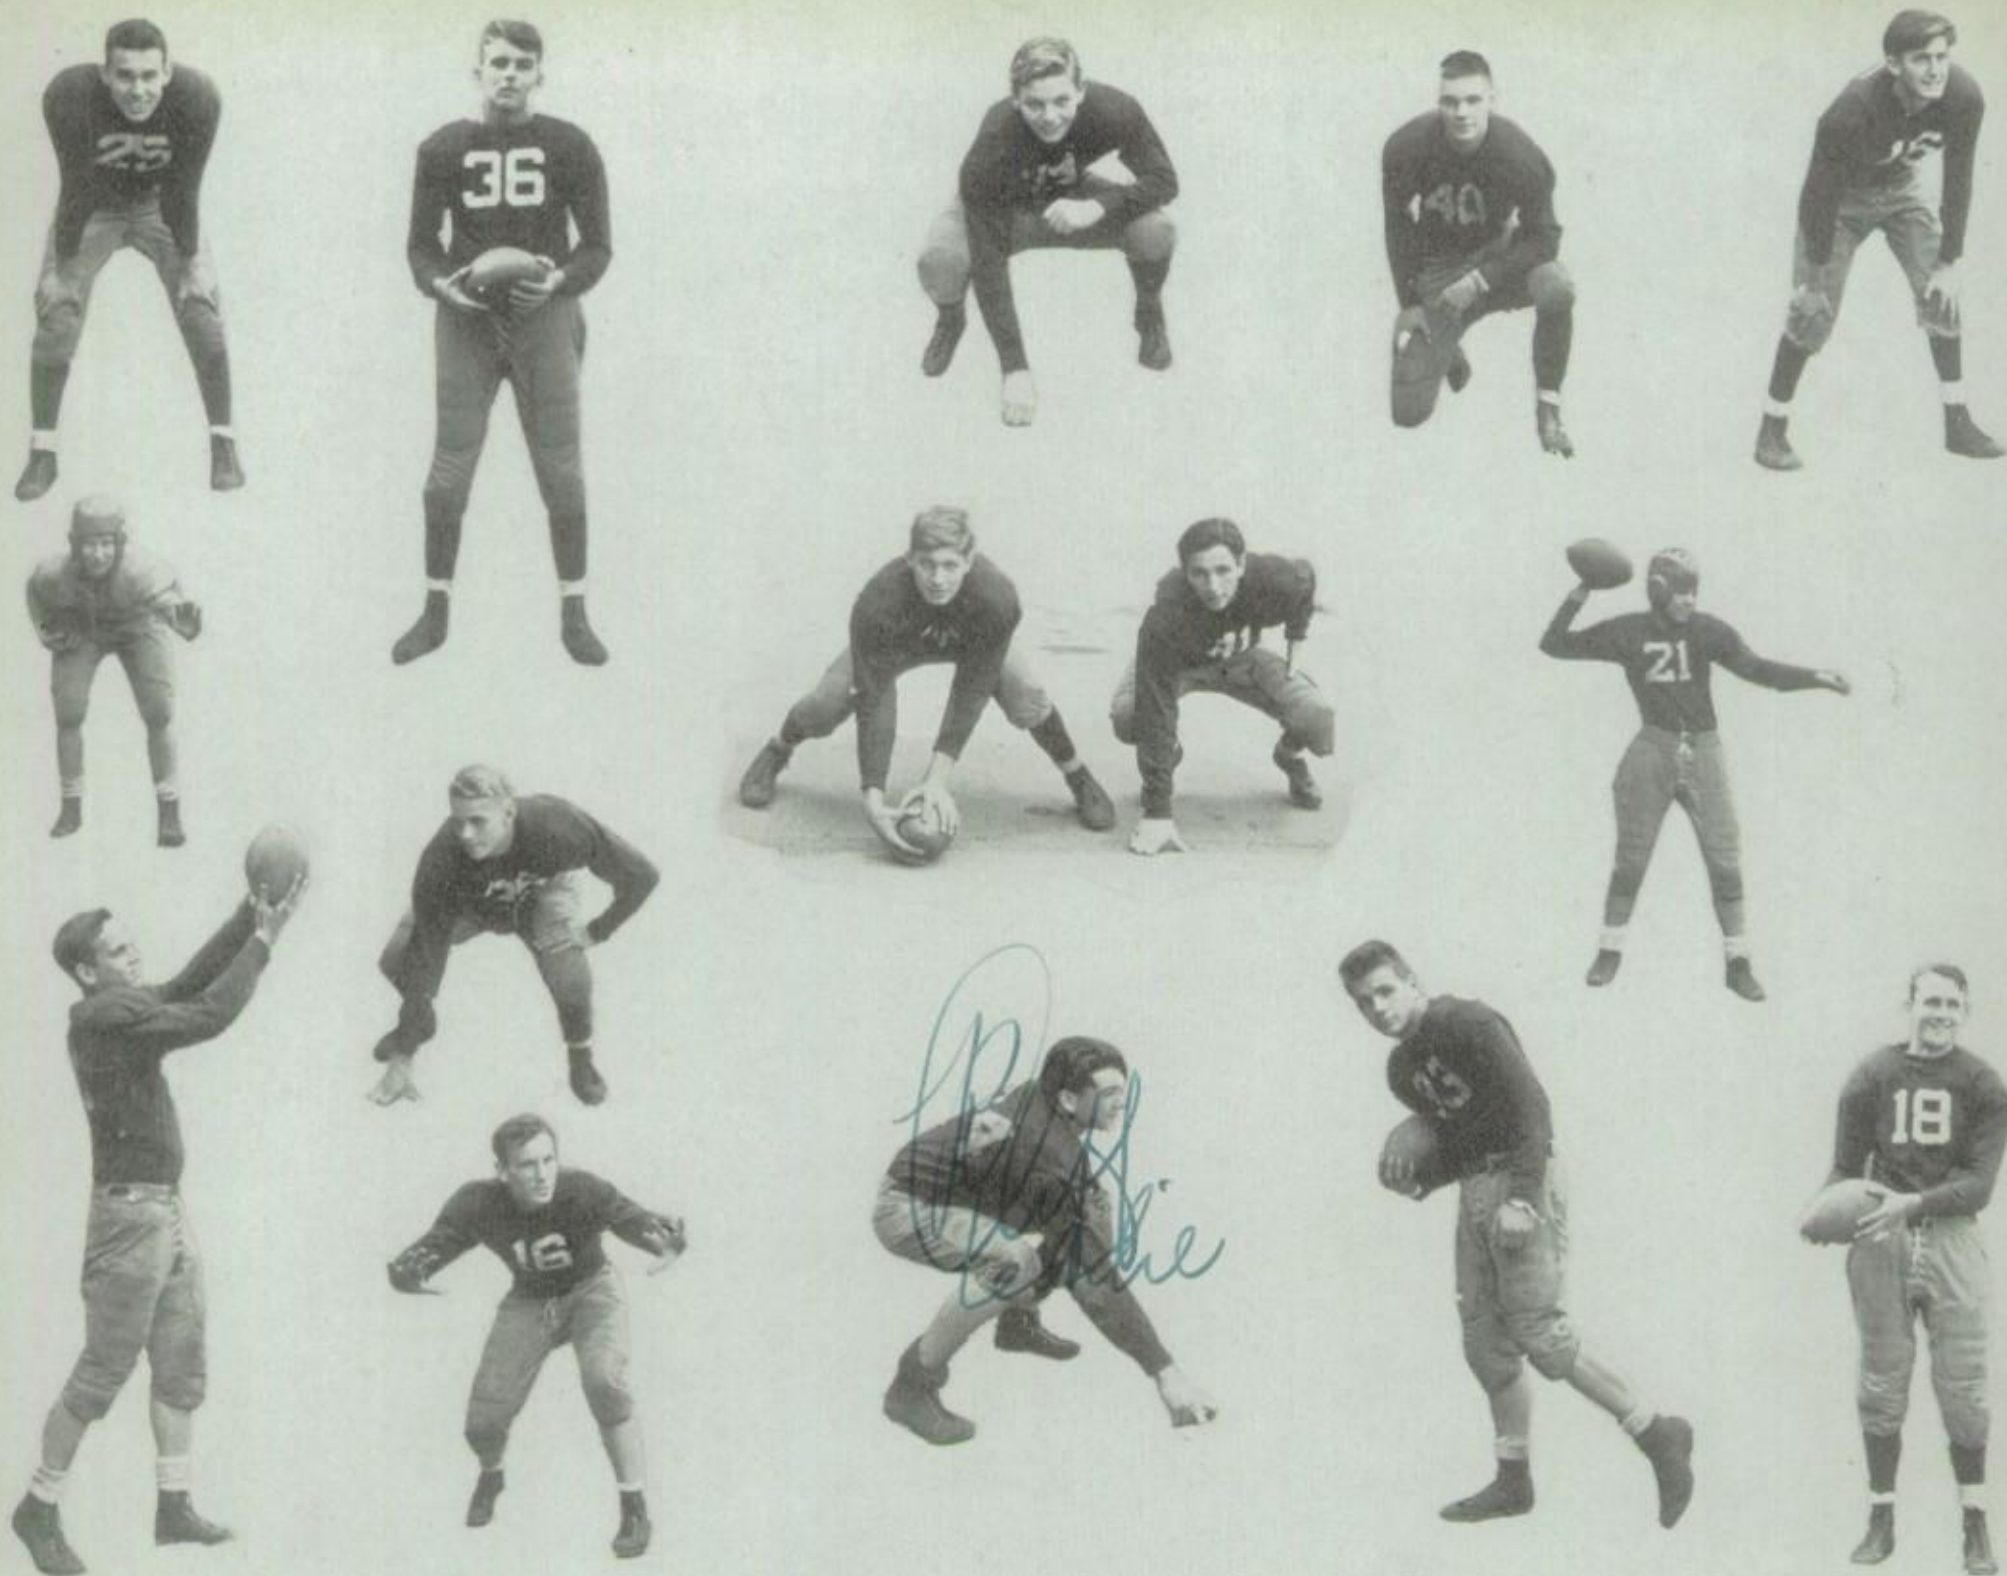

charging Titans, losing 32-0. Bruce Chapel's deceptive running kept the Fengerites always on the alert as did Fred Ballantine's passing.

Following their defeat at the hands of Fenger the Mustangs met Bowen. After leading 6-0 for three quarters the Mustangs tired and were unable to hold the Boilermakers who pushed across two touchdowns late in the last period, winning 12-6. Empehi's only touchdown came as a result of George Muyller's 30-yard pass to Dick Fryer. Copeland and Karko both helped keep the Mustangs in the game with their fine defensive play.

Opposing Hyde Park next the Mustangs were still unable to come out of their slump. Frequent fumbling in the

backfield proved fatal as Hyde Park took advantage of all the breaks to build up a safe twenty point lead. Scoring in the last period on a pass from Ballantine to Farrington the Mustangs averted a shutout in losing 20-7.

Playing on a rain swept gridiron, Morgan Park and Parker battled to a 6-6 tie in the sixth game of the year. M. P. tallied in the fourth quarter, having trailed 6-0. Ray Jones plunged one yard for the score.

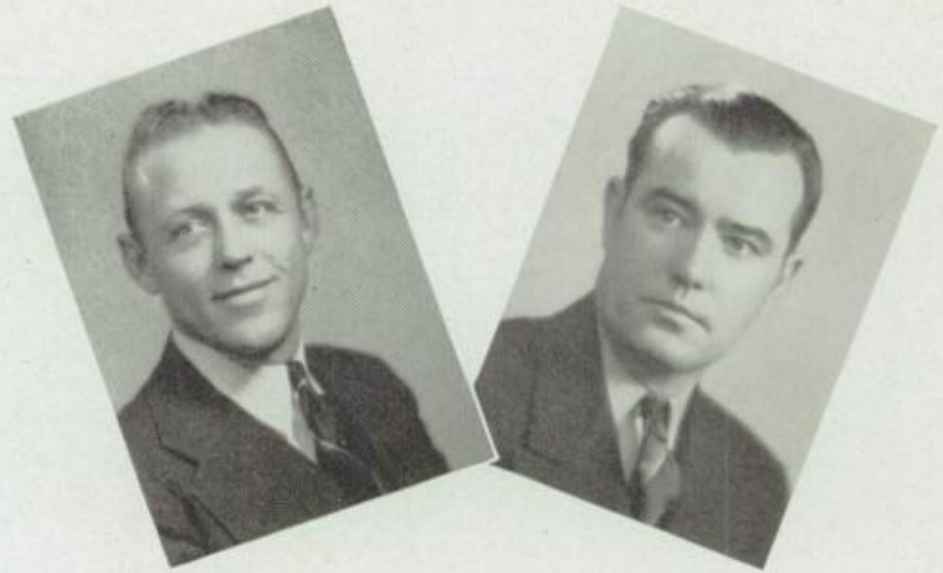

Hirsch handed the Mustangs their

fourth defeat, 14-7. A one yard plunge by Paul Brown in the last period accounted for Empehi's score.

The last league contest was with South Shore and ended in a scoreless tie. The game was played in a blinding snow storm which greatly hampered the offensive strength of both teams. M. P. held all the advantages in the statistics but just couldn't score. In a post-season game with Pullman Tech the Mustangs played to a 6-6 deadlock.

ANTONIDES

McGREGOR

Cheerleaders

An unusually large number of thirteen boys and girls comprised this year's cheerleading squad. Under Edith Smith's captainship Shirley Shevlin, Alzora Lawson, Rosemary Feeney, Mary Jo Driscoll, Marilyn Karstrand, Edyth Nagler, Jon Engstrom, Myron Adler, Charles Schubert, Bill Kramer, Charles Blaney, Gene Hoff, Gene Smith faithfully led the cheers which served to help build up and maintain Morgan Park's fine spirit of fair play and sportsmanship. Besides being present at all the football games they appeared at All Sports Night and last fall's pep assemblies. Miss Helen O'Rourke served as sponsor for the group.

Our Coaches

Under one of the city's finest coaching departments Morgan Park's athletic squads kept alive the traditional showing of great teams. With Coach Robert Antonides the football and wrestling teams kept up the good work as of past years. Coach McGregor's basketball teams fared well, especially the seniors. The baseball team too was under Coach McGregor's mentorship.

The swimming team was directed by two coaches, Coach Walter Durkin having enlisted in the Navy in mid-season. Mr. Maurice Frooman replaced him in that department as well as coach of the tennis, track and golf teams too.

Closeups of Our Cagers

Led by Irv Ward who made the All City basketball team of one of the metropolitan papers Morgan Park's senior and junior basketball teams presented some of the finest players in the city. After the graduation of Ward the seniors built their attack around "Bud" Smith the team's top scorer with 98 points. Cyril "Tick" Nierman considered as one of the best ball handlers in the section was second only to Smith in scoring.

Tom Rupp although not a consistent point maker came through when it counted most. Jim Love and Don White though they were not always ringing

up points were two of the team's ace defensive players. Other members who contributed to the team's strength were Bro Herrod, George LaRoche, Bob Wall and Bill Irwin.

The juniors were led by scrappy Bob Nagel who totaled 60 points for the season. Al Anderson was the team's top point getter garnering 66. Sol Morgan, Bob Powers and Joe Crow all played great ball in the face of seven defeats. Also aiding the above mentioned were Gene Beesley, Ted Bushnell, Bob Hale, Pete Ruhl, Bob Smith and Roscoe Ward.

The Basketball Season!

Under the captainship of Royal "Bud" Smith the Morgan Park Mustang heavies battled their way to the quarter finals of the city playoffs before being eliminated. They finished the season in a fourth place tie, winning five games and losing four.

Opposing Du Sable in the first round playoff game the Mustangs scored one of the season's biggest upsets by defeating the highly touted colored quintet, 26-25. In the quarter-final contest Kelly edged out the Mustangs 38-33.

Opening the season at Parker the seniors, led by Irv Ward, who tallied 22 points on 10 baskets and two free throws, whipped the "colonels" 44-37.

Against Englewood the Mustangs built up an early lead which carried them to victory by a 37-34 score.

Basketball Team

Failure to take rebounds played a large part in the Mustangs' first loss of the year as Fenger's Titans walloped them in the third game, 47-26.

Hirsch fell before the heavies in the next game, 35-34 with Irv Ward swishing the hoop for 18 points.

Drawing Bowen as their All Sports Night opponent M.P.'s heavyweights overwhelmed the Boilermakers, 41-28.

Following mid-year graduation the Mustangs met South Shore where they dropped a tough one, 51-47. "Bud" Smith led the scoring for Morgan Park with 12 points.

One of the worst defeats in the history of the school was dealt the heavies by Calumet's Indians as they handed the green and white quintet their fourth loss, 64-29. Harper added another defeat on the seniors whipping them 55-45. "Tick" Nierman with fourteen points led the Mustangs in scoring.

A stirring 42-32 upset of Hyde Park sent the Mustangs into the playoffs. Smith's fourteen and Nierman's twelve points were the major factors in M.P.'s victory.

The lightweights meanwhile suffered a rather mediocre season winning two games and losing seven.

They dropped their first game to the south section champs from Parker, 48-25. They scored a victory against Englewood in their next game whipping them 32-27. Alcock and Morgan shared scoring honors with eight points apiece. The ponies dropped their next four games losing to Fenger, 20-14; Hirsch, 25-18; Bowen, 46-31, and South Shore, 36-32 in that order.

The lights came out of their slump against Calumet as they defeated them 32-25. Harper and Hyde Park handed the juniors their last two defeats, 34-17 and 38-30 respectively.

Baseball Squad

Coach Duncan McGregor has once more put together a very fine baseball team. Under his watchful eyes the Mustangs of the diamond were proving that they were not to be counted out in the race for a qualifying position in the south section. At the time the Annual went to press they were in second place, just one game from the lead. They had defeated Hyde Park, Harper and Parker while losing only to Calumet.

The mainstay of the hurling staff was Bob Nagel who led with two victories. "Monk" Correll and Fred Ballantine made up the remainder of the staff. Surrounding the above mentioned moundsmen was an infield composed of Chapel at third, Rump at short, Nagel at second when he wasn't on the mound, and Rupp at first. The outfield was patrolled by Cyril Nierman, Walter Franiak and Arthur Olsen. Other members of the team include Bill Milord, Art Rodgers, Art Wacholz, Ken Peterson and Roscoe Ward.

JUNIORS

ROW 1: Fischer, Franck, Mr. Frooman, Hamilton. ROW 2: Schrock, Grasse, McGonigal, Scheidt.

Swimming Squad

Carrying on after losing three veteran splashers due to mid year graduation the senior swimming team managed to experience a fair season under the coaching of Mr. Durkin and Mr. Frooman.

Gene Lee, 100 yard breast stroker, Don Clemens, 100 yard backstroker and Bill Thayer, 40 yard free styler, all left in January. Left to follow in their paths were Walter Scott, breast stroker and diver, Burt Schimidt, free style splasher, Hud Moore, 220 yard crawl swimmer and Stan Hall, backstroker.

Other members included Don Nelson, free style splasher, and Dick Andre of the relay team, and Russ Potts.

The juniors, after getting off to a slow start, finally got going and managed to salvage a few meets for a mediocre season. Mainstays of the squad were Bill McGonigal swimming the 40 yard free style and Hump Teninga also swimming the same event.

Bob Bussian swam the 40 yard backstroke as did Dick Heil. Roy Hamilton took care of the 100 yard free style while Wayne Fisher swam in the relay along with Bussian, Hamilton and Heil. The diving department was handled by Finlay. Bill McGonigle was captain of the juniors while Hud Moore captained the seniors.

Wrestling Squad

With almost a perfect record the Morgan Park grunt and groan squad experienced another very successful season. Although they tied for first place with Fenger and Calumet they lost out in the drawing to determine which school would represent this section in the section playoffs.

There were several outstanding grapplers on the team among which were Carl Carter and Oti "Oakie" Harris both of whom reached the semi-finals of the All City meet. Other members of the team were "Beans" Burns and Elmer Wessel wrestling at 95 pounds, Roger Shemaite, competing in the 135 pound class, Reggie Shemaite grappling as a 145 pounder, Jack Christman battling in the 155 pound division and Bishop McGuire who fought in the 125 pound class.

Other members include Bob Kellum and Benny Copland both wrestling as heavyweights, Oscar Brown, who grappled in the 165 pound class and Garfield Jenkins, Ed Rumens and Gus Roos also contributed highly to the success of the team.

TENNIS—DeButts, Olsen, Alcock, Heidecker, Seen.

Track

Under Coach Maurice Frooman's tutoring several Morgan Park athletes have formed a track team. Ever since the middle of April practice has been going on either inside the school or on the athletic field depending upon the weather.

Among those who made up the team were Kenneth Gill, Carl Carter and Garfield Jenkins, all veterans from last year's squad. Other members on the team included John Melin, Aiden Tozer, Dick White, Jacob Middlebrook and Frank Atkins.

Several meets were scheduled with south section schools as well as the city meet held in June.

Golf

Keeping up the tradition of good golf teams at Morgan Park, this year at the time the Annual went to press, seemed no exception. After several weeks of

practice the team was chosen with the number one position going to Pete Smith. Holding down the number two spot was Clarence Johnson while Jack Culver held the number three position. Hermie Hensel was given the fourth spot and Don Ingham became the alternate.

Although they lost their first match the chances of a south section championship at the time looked very good.

Tennis

The 1942 Morgan Park Tennis team was built around its two veterans, Captain Warren Alcock and Jim Towns. The remainder of the squad was determined by the process of an elimination tournament.

At the time the Annual went to press Warren Alcock was the No. 1 player with the No. 2 spot going to Towns. The doubles team had not as yet been chosen. Among those who made the team were Joe Heidecker, Bob Watson, Ralph Olsen, Stanley Hall and Garfield Jenkins.

Science Awards!

To the top student in science and mathematics goes the Science Medal. It is one of the highest honors to be bestowed upon a Morgan Park graduate. Mr. Gay, head of the Science department for several years has chosen a member of the February and June graduating class to receive the medal.

The qualifications of the candidate are that the student must have had three years of science studies, two of which must have been laboratory sciences and at least two years of mathematics, containing algebra and geometry. The student receiving the highest science grades is presented the award. If there is a tie, the mathematics grades are the determining factors.

Sally Lofgren of the February class, well known because of her excellent journalistic work, attains an even higher honor by receiving this medal. Malcolm Little is the top ranking scientist of the June class. The award is a bronze plaque, attributed to the honor student by the Bausch and Lomb Optical Company.

LITTLE

The Student Association

This book is the last of a long procession of attractions which the Student Association has offered to its members this year. The list of features also includes several fine movies; an All Sports Night; a number of socials having more student appeal; issues of the Empehi News; and a dramatic production.

During the Fall semester the slogan "Add another record to your album" brought the membership to approximately 1,500. The Spring semester's theme was "A Pot of Gold."

The Student Association officers were: Charles Fitch, president; Inez Brown, first vice-president; Judy Gardner, second vice-president; and Jim Buys, secretary-treasurer. During the Fall semester these officers were assisted in their duties by the Executive Committee composed of Paul Brown, chief justice of the Student Court; Bob Pringle, Athletic Commissioner; Walter Pruter, chairman of the Promotion Committee; Sally Lofgren, editor-in-chief of the Empehi News, and Lois Harper and June Ekloff, co-editors of the Empehi Annual. The Spring semester saw Ann Huntington as chief justice of the Student Court; Bruce Chapel, Athletic Commissioner; Mary Ann Falls, chairman of the Promotion Committee, and Estelle Sharpe, editor of the newspaper.

The Student Council

This is the lower house of our bicameral legislation, organized to handle school government problems and authorize the necessary legislation to remedy the troubles as they arise. Every division has its representative fighting for what its members desire most to see in the way of student control of the school. There are about fifty-four active members to whom you can pay tribute for the following recent improvements: a better organized, more efficient hall guard system; improved procedure in class elections; longer time for division representatives; a better Student Association program.

Student Council meetings afforded students opportunity to discuss the need of a Town Hall and advantages of class gatherings once a month. Promotion of the attempt to cut down tardiness and to build up membership in the Student Association was continued throughout the year.

Qualifications for membership in the Student Council are: one must belong to the Student Association; representatives must be elected and supported by their divisions; the elected should be capable of leadership and the handling of school government problems. It is indeed a high honor to be elected to the Student Council. The training received from this job is not only valuable today but will be a great asset in later life.

The most important function of the Student Council is the selecting and nominating of the Student Association officers for each year. These officers must rank high scholastically, must have good character and must have executive ability. That is the Student Council's job and it is indeed a difficult task.

Credit must be given to the Student Council for its fine work throughout the year and for its capable handling of all the crisis which arise during the year. Empehites all know that it will always be on top and will always be one of the important functioning bodies of the Student Government.

As yet the sponsor of this organization has not been mentioned. It is a man who needs little introduction, it is "everybody's friend," the Assistant Principal of Morgan Park, Captain George G. Lorentz. He is not the active head however, but only supervises the meeting. The real head is the president of the Student Association, who conducts all of the meetings and sees that the ideas and laws passed by the Student Council are put into effect.

Empehi Annual Staff

OFFICERS

-
- Ekloff, Harper
-
- Adler
-
- Johnson
-
- Pruter
-
- P. Harper

They say there must be a first time for everything and so for the first time in the history of Morgan Park, the Empehi Annual has had girl co-editors: June Ekloff and Lois Harper. Assisting them were Lois Johnson, literary editor, who is responsible for all of the written material in the book; Wally Pruter, art editor, who illustrated the opening pages; and Phil Harper, business manager, who had the hard job of handling all ads and worrying about our financial situation. An outstanding job was done by Myron Adler, sports editor. He was in complete charge of the entire sports section, design, content, etc.

Due to the unusual small number on the Annual staff this year, the total number being only seventeen, they have had to work extremely hard. Each one had more responsibility, and no one could fall down on his assignment. However, their enthusiasm and co-operation have more than made up for their lack of number. Without Mrs. Dorothy H. Cella as a sponsor it would never have been possible to put out this Annual and the staff wishes to thank Mrs. Cella and all of its members for helping to make a success of the 1942 Annual.

A Cappella Chorus

The A Cappella Chorus, in its eighth years as one of Empehi's organizations, is conducted under the able leadership of Mrs. Bernice Hartle. Its purpose is to feature musical appreciation. Over one hundred students have enjoyed singing in this chorus during the past year.

On December 11th the A Cappella Chorus presented a Christmas program for the P. T. A. The day before Christmas vacation, as is usual at Morgan Park, the Chorus and the Girls' Glee Club presented the Christmas assembly. They also sang numerous Christmas carols in the halls of the building throughout the morning. The Chorus, in collaboration with the other musical organizations of our school, presented the annual spring production in Blackwelder Hall. The season was closed with a radio program presented under the auspices of the Radio Council and given over WMAQ.

The officers of the fall semester were Robert Swift, president; Helen Dillman, vice-president; Robert Maurer, secretary, and Pat Pontius, treasurer. The officers of the spring semester were Helen Dillman, president; Gene Beesley, secretary; Frank Hedrick, treasurer, and Pat Pontius, vice-president.

Biology Club

The Biology Club, now one of the largest clubs in the entire school, has completed another very instructive and completely enjoyable year under the sponsorship of Miss Bessie Bell, head of the Biology Department at school. The club has marked its success with several outstanding events both in the fall and in the spring semester of 1941-42.

The fall activities included a trip to the Stock Show at the International Amphitheatre and one to the Rosenwald Museum. The money making project of this semester was a narcissus bulb sale which was held in the school kitchenette. Mr. Sam Campbell was presented in a return engagement to Empehi for the annual fall assembly and was received warmly as usual. He lectured on the North Woods, as he showed beautifully colored films of some of the animals and the vegetation in that region.

The theme of the spring semester was conservation of trees, flowers, plants and vital defense materials. At each meeting a committee gave a program consisting of talks or skits on conservation of one of these topics. Our only speaker, a Clissold Grammar School student, showed movies on the habits and developments of the deer raised on his family's farm. The highlight of this semester was the trip to the Flower Show which was attended by a large number of members and students from all the science classes. The financial end of the club was helped considerably by a commission on the tickets. Mr. Lincoln H. Lippincott, national secretary of the "Not Over 50 Club," was the speaker at the spring assembly.

Regular meetings were held every other Wednesday in the social room, during tenth period and refreshments were occasionally served.

The officers for the fall and spring semester respectively were as follows: Estelle Sharpe and Nancy Slayton sharing the executive position and leading the club toward greater gains; Bob Maurer and Bob Pilkington both qualified as vice-president; taking the minutes, answering correspondence, and calling the roll was taken care of by Nancy Slayton and Nancy Combs. The club's finances were capably balanced by Bob Pilkington and Bob Fall. These eight officers have upheld and tried to better the standards of the Biology Club for the past year.

Fall

Sigma Club

Sigma, the honorary commercial club of Empehi, is one of the most active organizations in the school. This club donates more than any other club toward the school's financial support.

The aim of the club is to render voluntary service to the school, to give students a broader outlook of the business world, and to provide more social life for commercial students.

In these times, more than ever, it is important for young people to be equipped to take their places in the business world, replacing those called for service.

Students eligible for Sigma, must have a "G" or better average in their subjects, be taking a commercial sequence, be serving the school on their own time and be chosen by the club from a list of eligible members. Mrs. Schachtli and Miss Wieslander are the co-sponsors.

Fall officers were Arlene Rohde, B. B.; Kenneth Gill, C. C.; Mildred Mohr, P. S.; Mae Paula Goldsmith, B. K.; Edith Smith, O. G.; and Ann Fardy, Student Exchange Manager.

Spring officers are Kenneth Gill, B. B.; Harriet Dueshop, C. C.; Lorraine Winklemen, P. S.; Lorraine Kock, B. K.; Alice Fredette, O. G.; and Elaine Rump, Student Exchange Manager.

Business Staff

The main function of the Business Staff is to provide financial aid for the Empehi News through the solicitation of advertising. The staff also has charge of distributing papers to all advertisers and exchanging papers with other schools throughout the country. To the staff goes the job of seeing that the papers get to the Branch.

Unders the sponsorship of Mrs. Dorothy Cella, the staff was managed for the entire year by Mary Ann Cooley who was assisted by Marshall McClure. The fall semester saw the bookkeeping in the hands of Lois Werner and Venice Rekosh. Joan Campbell took over this department in the spring. Copy writer for both semesters was Vera Fritsch. She was aided in the spring by Annette Darling and Charlotte Heffron. Mary Lou Sorman had charge of circulation in the fall with Betty Mortenson as her assistant. In the spring Betty was put in charge with Joan Lytle and Venice Rekosh as her aids. Margaret Greenman was the efficient exchange manager for both semesters, assisted in the fall by Joan Campbell and in the spring by Mary Ann Falls.

Empehi News

MISS BAUMAN

In 1941-42 the staff of the Empehi News has worked toward a definite goal—to make the paper of interest to every student. This has meant more "names" in the newspaper as well as many new and better features.

Ably filling the editor's chair in the fall semester was Sally Lofgren, succeeded in the spring by Estelle Sharpe who enjoyed the assistance of Dave Katzmann, associate editor. Jane Brown and Janet Clancy held the comparatively new position of literary editor in the fall and spring respectively. Both

semesters the editors were guided by the help and encouragement of Miss Alma Bauman, adviser. The Empehi News is especially proud that its sponsor has been honored by the dedication of the Annual to her.

Page editors for the spring semester are printed on the masthead. Those for the fall semester were as follows: Bernadette Pearson, first page; Bob Bond, second page; Estelle Sharpe, third page, and Dave Katzmann, sports page.

Again this year the Empehi News received the international honor rating, the highest possible, from Quill and Scroll, honorary journalistic society which maintains a chapter at the school.

Twelve of the staff members participated in the extemporaneous division of the all-city writing contest held by the Chicago Press Guild in March, while others wrote material for the submitted division.

Those writing in the extemporaneous division included: Phyllis Burkhart and Joyce Martin, writing in the essay group; Betty Rosborough, Lila Anderson, poetry; Estelle Sharpe, Bob Evans, editorial; Pat Knight, Mary Northam, news writing; Charlene Pearson, Peggy Giller, feature writing; Fern Larson, Ruth Bergstrom, speech reporting, and Marshall McClure, advertising copy writing.

Manuscripts of the following Empehites were sent to the Submitted Material division of the Writers' tournament: Phyllis Burkhart, Paul Drews, Phil Harper, Marian Johannesen, Joyce Martin, Charlene Pearson, Dolores Poeppel, Betty Rosborough, Estelle Sharpe, Bob Lorange, Doris Wells and Annette Darling.

Through the two semesters the staff strove for a better-appearing weekly by the use of new make-up ideas, pictures, cartoons and other cuts.

The business staff, both semesters under the leadership of Mary Ann Cooley and the sponsorship of Mrs. Dorothy Cella, assisted the Empehi News financially.

Le Cercle Français

The aim of the French Club is to acquaint its members with some of the customs and history of France, and to give them experience in the use of its language in everyday conversation. French only is spoken at the bi-monthly club meetings.

Under the sponsorship of Miss Beulah Kemp, the meetings of Le Cercle Français the past year have included some unusual programs such as movies of the various French provinces, plays presented by the various members, French musicales, and the semi-annual Mother's Tea with Mme. Darling as the guest speaker. Some of the other activities of the club were providing for a needy family at Christmas time, sponsoring two bake sales, held at stores in the community, and attending a French Soiree in the spring. Pins were given at the Awards assembly to members in recognition of service to the club.

Officers for the year include: Faith Spitler, president; Joe Branit, 1st vice-president; Sally Brown, 2nd vice-president; Barbara Fowler, secretary; and Jane Steinhart, treasurer for the fall semester. For the spring semester were Shirley Brown, president; Luther Lorance, 1st vice-president; Glenna Davis, 2nd vice-president; Marge Blakslee, secretary; and Jean Claussne, treasurer.

Fashions of the Hour

Fashions of the Hour was organized six years ago by Miss Helen Greenfield, the present sponsor. The purpose of the club is to promote enthusiasm for sewing and an interest in better taste and style. Membership is open to girls who have completed one semester of sewing and are enrolled in the second semester.

Activities for the past year included an assembly for all the girls in high school given by a representative of the Butterick Pattern Company, and a speaker from the Vera Jane Modeling School. The club also sponsored a benefit movie and a Valentine heart sale. Members of the sewing classes gave an assembly in June, where they modeled some of the clothes which they had made during the semester. The Fashions of the Hour has made a great deal of progress in the past year due to the excellent cooperation of the members, these activities proved to be a success.

The fall semester officers consisted of Marilyn Powell, president; June Hughs, vice-president; Marjorie Rassmussen, secretary; Elaine Rump, treasurer. The spring semester officers are Roberta Mitten, president; Dorothy Gernert, vice-president; Marjorie Rassmussen, secretary; Elaine Rump, treasurer.

A. Y. L.

The American Youth League was first permanently organized in Morgan Park on November 26, 1936. The purpose of the organization is to develop among our own and other high schools of our country a deep appreciation for the ideals, principles and obligations of citizens of the United States in order that the traditions of our land may be preserved not only in our own hearts but in those of future generations.

To be a member in the club one must be a junior or a senior. Our total membership this year reaches the 300 mark.

Officers for the year are Jeanne Stevens, president; Harriett McCaw, secretary; and Ed Cornwell, replacing Bob Swift as treasurer.

The entire league gives thanks to our sponsors Dr. Tubbs, the founder, Miss Callahan, and Mr. Meyers who have worked with us and helped us so much.

Rhythm Club

The purpose of the Rhythm Club is to create among the students a desire for dancing. Routines of various kinds consisting of ballroom, rhumba, ballet, jitterbuging, etc., are used. The assemblies are written to fit these certain dancing routines. The students enjoy participating in them also.

For the annual spring production the club works throughout the year to make it a great success. The outstanding members participate in solos for assemblies and sometimes outside dancing.

The membership consists of fifty-four. The meetings are held in the Social Room every two weeks. This is to keep the spirit of the club going. The office of president is alternated between a boy and a girl each semester. Fall officers were, president, Donald Goldsmith; vice-president, Dorothy Jean Grandman; secretary, Mary Emily Dasher; and treasurer, Paul Brown. The spring officers were, president, Isabel Gruenwald; vice-president, Myron Adler; secretary, Marge Schipplock; and treasurer, Jon Engstrom.

With the aid of the jazz band the Rhythm Club is more complete and we hope in the future the club will still exist as an extra interest and enjoyment for the students.

The Rhythm Club thanks Miss Helen O'Rourke for her effort and co-operation.

Latin Club

Sodalitas Latina, the Latin Club, was founded in Morgan Park twelve years ago. To give its members a better idea of the language and customs of the ancient Romans is the chief aim of the club. Members are kept in close touch with the ancient gods and goddesses through reading myths at meetings, and presenting playlets, both amusing and informative.

In the past, the Latin Club has received money for scholarships from the distribution of Latin calendars. However, as no prize money may be given to graduating seniors, the proceeds this year were used to purchase pictures for the Latin classrooms and to help furnish the Social Room.

To celebrate Latin Week, the club attended a luncheon. Entertainment was furnished by the members themselves.

Miss Cora Petty was again the sponsor of this organization. During the fall semester, officers were as follows: Eloise Fischer, consul; Lois Anderson, second consul; Fern Larson, scriba; Pat Pontius, quaestor; and Charlene Pearson, ways and means chairman. During the spring semester the officers were Charlene Pearson, Fern Larson, Lois Anderson, Gladys Osborne, and Helen Gray.

Human Relations Service Guild

The Human Relations Service Guild is a charity group that was organized in Morgan Park High School in 1938. Only students who are interested in charity work may become members of this organization.

During the fall semester the Thanksgiving Fund, the Children's Aid Society Drive and the Christmas Fund occupied much of the members' time. Another drive sponsored by the club and supported by the students of the school is the Red Cross Drive. This includes the sponsoring of a dance in April for charity. The Red Cross Committee, consisting of Ruth Bargquist, Connie Tocque and Phil Harper were sent by the club to the Chicago Junior Red Cross meetings to represent Morgan Park.

In the spring semester the club held a sale of Easter seals for the benefit of crippled children. Various social meetings and interesting trips throughout the city were part of this year's program.

Mrs. Brown was our very capable advisor. The officers for the year were as follows: president, Harriett McCaw; vice-president, Bob Maurer; secretary, Connie Tocque; and treasurer, Dave Lamoree.

Junior Band

Presenting the Concert Band—the liveliest organization of the Morgan Park High School. Boasting of over eighty of the finest students in the school, it is the prodigy of Captain Guy D. Hartle, leader and conductor.

At all the football games, rain or shine, the band has held forth in the stands playing those lively and captivating marches, so necessary to the spirit of a game. On all these occasions, except when the weather conditions hindered them, the band went on the field to march. But, it was not all marching and drill work, for letter formations were made—our own M.P. and the letters of the opponents. These formations according to Captain Hartle are the finest in the city.

School assemblies are enlivened by snappy marches rendered before and after the assembly. Several times this year the band has played for P.T.A. meetings, including Defense Programs. One of the main accomplishments of the band is the annual Spring Production put on by the music department. Here the band plays an important role, furnishing their splendid music.

The Concert Band, due mainly to the untiring effort of Captain Hartle, has received superior ratings in the city-wide band competitions for the past four years. This year they are preparing to capture their fifth straight superior rating.

In the city-wide solo contest the Concert Band was well represented with encouraging results.

Extreme proudness is held in the Skrivan team, Shirley and Bill. Shirley, a senior and Bill, a sophomore, began their twirling careers long before entering high school

Ann Fardy, Bob Hubley, Art Cibulsky, Art Benjamin, Randall Booten, Don Bailey, Margaret Handbury, Lorraine Kjellberg, Flora Robbins, Horace Pitts, Raymond Vincent, Henry Gay, Matt Turner, Jim Henning, Adolph Rasmussen, Louise Tatro, Etta May, Donald Monson, Sara Fisher, Russel Hockert, Edward Lorenz, Dave Mitchell, Chuck Blaney, Ben Copeland, Robert Gay, Ed Burns, John Klilebrew, Vernon Anderson, Henry Dieters, Ed Delaneo, Bob Feikama, Nathalie Spence, Nancy Rennie, Charleyn Smith, Buddy Ward.

Intermediate Concert Band

and already have countless medals and trophies to their credit. But better than their medals and trophies is the National baton twirling championships they have won, Shirley having won it four times and Bill twice.

Officers of the band for the fall semester were Bruce Euchnner, president; Paul Brown, vice-president; Beverly Bochman, secretary; and, Sally Lofren, treasurer. Spring officers included: Grant Nelson, president; Marilyn Spence, vice-president; Mary Ann Cooley, secretary; and, Bernard Duskin, treasurer.

The Concert Orchestra has had a successful year in the new music room. The number of fine musicians playing in the organization is fifty.

The main events of the year for the orchestra were the February and June graduations for which they played "Pomp and Circumstance" and "Pomp and Chivalry".

Officers of the fall semester were as follows: Charles Stevens, president; Shirley Brown, vice-president; Joyce Martin, secretary; John Melin, treasurer, and librarians, Floyd Payne and Leonard Cooper.

Officers during the spring semester were: John Melin, president; Shirley Brown, vice-president; Joyce Martin, secretary; Sally Miller, treasurer; Kenneth Fiske, Marilyn Faulkner, and Donald Heffron, librarians.

The Intermediate Concert Band under the fine guidance of Capt. Guy D. Hartle has enjoyed a progressive year. This organization has furthered itself through the combined efforts and cooperation of its members. The officers for the Spring semester were: Bernice Bochman, president; Cliff Keddie, vice-president; Betty Baumann, secretary-treasurer; and Allison Walker, librarian.

Pan American Club

"Pan Americanism" is the essence and theme upon which the Pan American Club was chartered on December 8, 1938. About this time also the club began its affiliations with the Student Pan American League. This year, delegates were sent to the regular monthly meetings downtown. In this way the Spanish students at Empehi were kept in touch with the latest developments and interests of Latin-American relations.

Since its beginning the club has stressed the importance of our friends to the south. Once again the organization was privileged to have Miss Mary F. Holland as faculty adviser.

Under the guidance of Doris Wells, president for the fall semester, the club participated in several activities. Other officers were Frank Hedrick, 1st vice-president; Marilyn Spence, 2nd vice-president; Connie Tocque, secretary, and Cameron Holmes, treasurer. In the spring semester the presidency was filled by Bob Maurer, while the remainder of the officers were Marilyn Spence, 1st vice-president and Connie Tocque, 2nd vice-president. The "secretario" was Joyce Martin, the "tesoreo" was Walter Pruter. The main activity of the spring term was Pan American week, beginning April 14th, in which various fiestas were held.

Clean-Up Committee

The purpose of the Clean-Up Committee is to see that the interior and exterior of the school is kept in a tidy condition and this means also to promote good health among the students of Empehi. The Committee, therefore has a two-fold purpose.

This beneficial organization has accomplished much in bettering the community. The main project, and quite a successful one, was that of ridding the neighborhood of rats. Many other beneficial projects have been completed, not only outside of school but inside.

The annual flower sale was held at the end of April and carnations as well as roses were sold and as usual, this sale met with success. The proceeds are used in making Morgan Park a cleaner and better school in which to work and one to be proud of.

The officers of the year were Barbara Fenger, chairman; Marge Blakslee, vice-chairman; Harriet McCaw, treasurer, and Warren Alcock, secretary. The committee is headed by a fine sponsor, Mr. Melnick, to whom it wishes to give thanks.

Quill and Scroll

The Morgan Park chapter of Quill and Scroll, formally known as the International Honorary Society for High School Journalists, entered two big writing contests this year; the first being the Chicago Scholastic Press Guild writers' tournament and the second the National Quill and Scroll Contest in editorial writing.

The new members were initiated into the club during the spring semester thereby raising the membership to thirty-five. The requirements for membership in the club are, forty-five inches of "string", be at least in the 3B semester, have a good standing and a recommendation by Miss Alma Bauman, the club's faculty adviser.

The biggest project of each semester is the editing and sale of the Empehi Bulletin. The treasury obtains all its money from the sale of these Bulletins. The last event of the year is the annual press banquet which is to be held in the latter part of May.

Officers for the fall semester were Robert Bond, president; June Ekloff, vice-president; Robert Maurer, secretary; and Estelle Sharpe, treasurer. The spring semester officers were Betty Clegg, president; Robert Maurer, vice-president; Charlene Pearson, secretary; and David Katzmann, treasurer.

V.E.S.B. and Photo Staff

The purpose of the Visual Education Service Bureau, better known as the V.E.S.B., is to provide educational movies and slides for all Science, History and language classes in the school. Under the leadership of Mr. A. R. Gay, the secretaries and operators check the equipment in and out and put on movies any period of the day that a class teacher may desire. These pictures have proved both interesting and educational to every department of the school.

Kennetha Friday and Mary Moore served as head secretaries this year, while Joseph Fisher and Paul Dasher worked as the chief operators.

Also supervised by Mr. Gay is the active and surprising Photo Staff, which has been under the management of Marjorie Johnson and Tom Thayer this past year. The members of the staff take, develop and print pictures for the Empehi News, division records and personal orders. The candid pictures and the presidents of the various clubs appearing in this book were also taken by the Photo Staff. They have done a marvelous job of helping the Annual Staff.

Queen Rollers

During the past year the members of the Queen Rollers have tried to give the students of Morgan Park the opportunity to see the purpose of this club. The purpose is to promote an educational and social recreation and to inspire the students to spend more time at various sports. Any girl who is interested or enjoys rollerskating is eligible for membership in the club. The Queen Rollers are under the leadership of Miss Rosalie Kurz, who is the active head of all their activities.

Queen Rollers is a noisy and active club. They have given two very successful skating parties at the Swank Rink, and also have given an interesting assembly in which all the members of the club took part by demonstrating various types of skating.

Officers were as follows: Spring officers: Nellie Knipper, president; Pearl Slagle, vice-president; Beatrice Thomson, secretary; and June Chapman, treasurer.

Fall officers: Margaret Samprevivo, president; June Conrad, vice-president; Nellie Knipper, secretary; and June Chapman, treasurer.

OFFICERS

Girls' Glee Club

The twenty-third year of the Girls' Glee Club has been very successfully completed. The purpose of the club is to promote choral work within the school and to develop an appreciation and love of the best in choral literature.

During the past year the organization represented Morgan Park at the city contest, receiving a rating of "E". The club presented their annual Christmas program for the P.T.A. and the Student Association. In February they appeared before the Crescendo Club and again in May presented the annual spring concert with the A Cappella chorus, concert band and other of Morgan Park's musical organizations.

In the past any Student Association member could obtain membership by passing a vocal test given by the sponsor, Mrs. Hartle. In the future, however, all membership will come from the choral I and II classes which will be newly organized in September.

The able officers for the fall semester were Sally Brown, president; Shirley Ingalls, secretary; Sue Blaicher, librarian; and Joan Haedtler, treasurer. Officers for the spring term are Dorothy May, president; Pat Fitch, vice-president; June Smith, secretary; and Joan Haedtler, librarian.

Zoology Club

As all old things must eventually die, so dies the oldest club at Morgan Park, the Zoology Club. It is a natural death, as the Zoology course was dropped from the high school program two years ago. Thus it is wholly a 4A organization.

And so it dies—and with it goes many pleasant memories of trips to Turkey Run; to the International Livestock Exhibition; to the Indiana State Park; to Shed Aquarium; of interesting speakers; of successful sales; of dawn risings to go birding, and all that spirit and co-operation required to make a truly great club.

Formed first as the Science Club under Miss Lucy Babcock, the club can claim existence as far back at 1916. Upon Miss Babcock's retirement Miss Bessie Bell took over the sponsorship until such time when H. T. Taylor, present sponsor, took charge. Under the able leadership of its sponsors the club has flourished and grown.

Fall semester officers were Philip Harper, president; Jack Burley, Ann Huntington, Marilyn Spence and Aiden Tozer. For the spring term Marilyn Spence became president, aided by Myron Adler, Jean Bunn, Barbara Fenger and William Bliss.

Curtain Club

The Curtain Club of Morgan Park High School was organized for students who have an active interest in dramatics.

Each year plays that are given by both college and professional groups are attended to help develop an appreciation for the Theatre. This year a group of about 85 students attended the comedy "Papa Is All." The large attendance itself proves the interest that was promoted. Several times during the year students attended plays presented by the Dramatic Club of Central Y.M.C.A. A two-act play, "The Right Answer," was presented by the club at a school assembly. It was a very amusing play and was thoroughly enjoyed by all of the students.

Miss Julia Lorenz is our able and enthusiastic club sponsor.

Aiden Tozer called the meetings to order during the fall semester, while Shirlee Guest took over his position in the spring. Nancy Patterson and Phil Harper serving as vice-presidents gave very able assistance. The minutes of the meetings were kept by Shirlee Guest and Maxine Rutherford. Don Goldsmith and Jim Buys held the all important key to the treasury.

Stage Crew

Behind the curtains we find a group of young men co-operating simultaneously to create a design that mystifies the "outsiders' eye." The stage crew helps all clubs by being back stage stooges during assemblies. With plenty of moral

support from their advisor, Mr. Hunter, the Stage Crew, managed by Dave Rennie, assisted by Carl Lee, attains even greater heights in service to the school.

Tau Epsilon

Tau Epsilon, Morgan Park's honorary scholastic society, has since it was founded in March 1924, grown from 60 members to 300 at the present time.

In order to become a member a student must have eleven grade points with no grade below "G" and four honor points. One point is given for each "E" or "S" and others for participation in school activities, for service as officers of clubs and division rooms and for perfect attendance. This membership must be renewed every semester, thus promoting scholarship and participation in the activities of the school each semester. It is also a prerequisite for membership in the National Honor Society.

In past years seven semester members have received gold guards consisting of the letters M.P. and the three top ranking seniors have received their choice of a Tau Epsilon pin or a book. Due to the priorities, February 1942, was the last time these awards will be given until peace come to the world.

The club, under its three able advisers: Miss Conlan, Miss Mackin and Mr. Drummond, had carried out its program in keeping with its purely honorary character.

The officers of the fall semester were Willard Lofgren, president; Bernadette Pearson, vice-president; Marilyn Spence, secretary; and John Melin, treasurer; while in the spring semester Mary Emily Dasher, John Melin, Kenneth Gill and Jean Sherff filled these respective positions.

ROW 1: White, Scott, Rutherford, Splinter, Harper.

President of the Parent-Teacher Association this year was Mrs. C. D. Northam. The offices of first, second, and third vice-presidents were held by Mrs. G. T. Dutton, Mrs. Loro Gooch, and Dr. Eston V. Tubbs, respectively. Mrs. L. M. Harper was Recording Secretary, while the office of Corresponding Secretary was held by Mr. Paul Brown. The treasurer was Mrs. L. R. Seen.

Our program theme for the year was "The Individual's Responsibility to the Community".

Hoping to build a stronger school spirit among our parents, we have attempted to acquaint our members with the school. Each month the chairman of some department at Morgan Park has appeared on our program to introduce the instructors and discuss the aims of that department. At the tea following the program parents had an opportunity to visit with these teachers. An outstanding program for one of our three "Parents Nights" was completely in charge of the students.

We are very proud of our student aid accomplishments. Mrs. Robt. H. Kraft, Student Aid chairman, has found employment for those students desiring part time or evening work.

A live interest in Chicago School problems has been maintained and we have kept our members informed in regard to such matters.

The fine co-operation of officers, chairmen, parents, and teachers, has made our year's work possible.

Gooch, Dr. Tubbs, Northam,

Dutton, Seen

Parent- Teacher Association

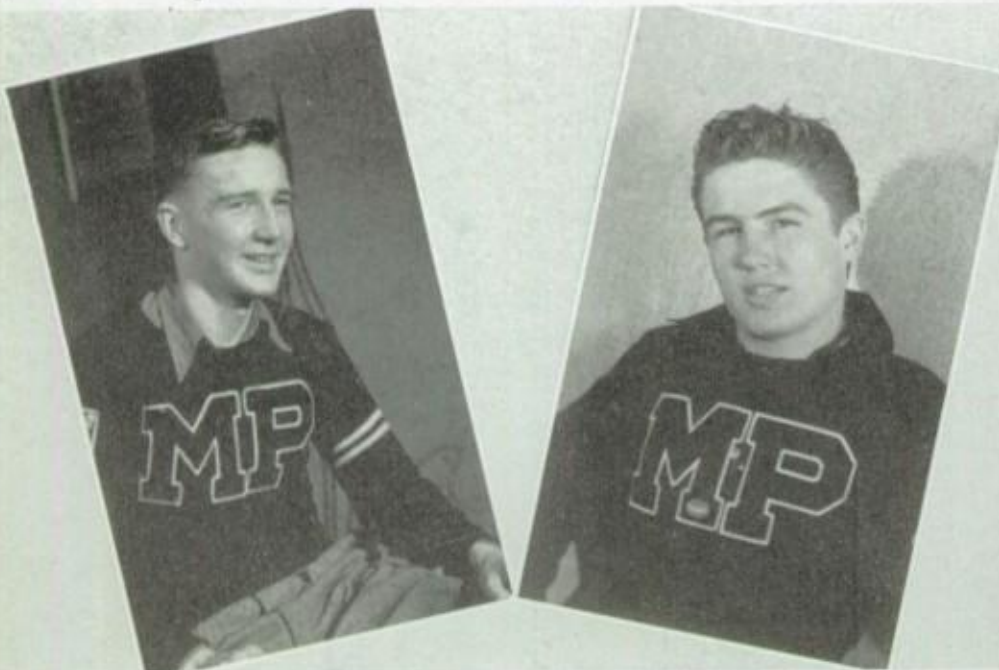

Emblem Club

The meetings of the Emblem Club are held each month and the purpose of the club is to promote intramural sports such as baseball, basketball, football and volleyball among the boys throughout the school.

It is necessary to first earn a major letter in some sport to become a member, which, of course, includes passing grades. Its members act as guards at all athletic contests and the club has taken part in keeping the school lunchroom clean and lunchers in order.

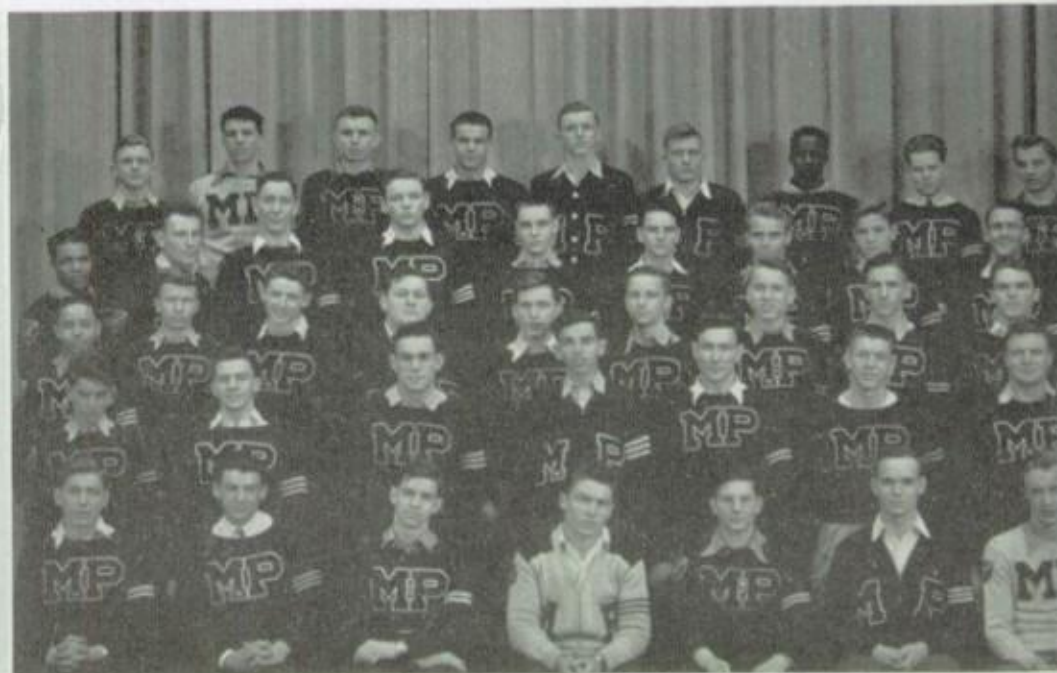

In the spring the club presented a movie on the American League in Baseball. Although the film was late it was presented twice in the afternoon, much to the delight of the whole student body.

The officers during the fall semester were Bob Pringle, president, who also represents the Athletic Commission for that semester; Fred Ballantine, vice-president and Kenneth Rump, secretary-treasurer. The officers during the spring semester were Bruce Chapel, who was also the Athletic Commissioner and president; Cyril Nierman, vice-president and Donald White, secretary-treasurer.

Quilpen Club

Quilpen strives to promote interest in creative writing. New members submit a piece of original writing which is subject to the approval of a committee. They also must have had a mark of "E" or "S" in English.

Every year the members attend a play in the "loop." This year a book was compiled, containing writing of our members and a complimentary letter

was received from Supt. Johnson on this work.

Miss Josephine Mangan is our helpful and enthusiastic sponsor.

Officers for the year were: President, Betty Caris; Barbara Nichlaus, vice-president; Shirley Guest, Beth Chatters, secretary; Barbara Nichlaus, Charlene Pearson, treasurer; Nancy Rennie, Laurel Koch.

MR. TWEEDIE

The Clissold Branch

Student Association

Another successful year at the Clissold Branch has been completed. One of the largest factors at the Branch is the Student Association. Last semester it was under the guidance of John Foyer, president; Gloria Hunter, vice-president; Bob Rossen, secretary, and Marjorie Nevin, treasurer.

A social committee which was headed by Barbara Barrett and sponsored by Mr. Robert Russell has given many successful social hours full of entertainment, dancing and refreshments.

Another active organization under the sponsorship of the Student Association is the Branchite's Student Court. This was suggested by the Student Court at the Main Building, and some people from the Branch, who felt there was a

great need for a Student Court there, saw to it there was such a group organized. Then they appointed Bill Black, Chief Justice, and Janice Carlson, Joyce Fairbanks, Ralph Pritchard and Jim Kirby as Jurors.

Another one of the committees is that of the Hall Guards, whose duty it is to keep the boys and girls in order in the halls and on the stairways. This committee has been highly successful in keeping strict order during the practice air raids recently.

The Street Committee, headed by Bill Rehr, had the job of keeping order outside of school.

We feel that the Student Association and the Student Court have done fine work, and we hope they will keep on with it in the future.

Fairbank, Hale. ROW 2:
Barrett, Black, Wickham.

BRANCH DIVISIONS

R. O. T. C.

Facing the gigantic War Effort's demand for military cadets with an A-1 fundamental training in Military Science and Tactics, the Morgan Park Reserve Officers Training Corps, under the command of Sgt. John R. Ziel, has taken great strides of advancement in the past year and has won the high esteem of both the school and community.

Pride and joy of the unit this year was the development of its rifle team. The R. O. T. C. sponsored the Military Ball and a roller skating party, the financial successes which backed the rifle squad's purchase of \$200 worth of equipment. With only a few weeks' practice on the M. P. Police station's range, after which it was taken over for Civilian Defense use, the Empehi Sharpshooters went on to capture 24th place in the City meet in a field of 27, and 74th place from an entry of 92, in the Corps area match.

Ranking high on the list of '41-'42 R. O. T. C. achievements is the organization of the Morgan Park Air Raid System. The efficient work of the Air Raid guards in effectively carrying out the Air Raid drills was highly praised by both faculty and students.

Morgan Park's tribute to its graduates now serving in Uncle Sam's armed forces is the huge service-flag now hanging in the Auditorium and bought by the R. O. T. C. with donations from cadets, faculty and students.

Federal Inspection, falling on May 7th of the year in which our nation shifted into

AMERICA TODAY

high gear in its war production drive, loomed even greater in importance, which meant drills, drills, drills, for every R. O. T. C. cadet, in their all out effort to regain honor school rating.

Following in the footsteps of the Federal Inspection, came practical war maneuvers in which the "Green army outmaneuvered the White" in the forests on the outskirts of Midlothian.

Maps of the maneuver area were excellently composed and drawn up by John Gage.

Long hours of early morning practice under the watchful eyes of Cadet Major Luther Lorance and other R. O. T. C. officers earned for the Morgan Park picked platoon, 12th place in a field of 24 Chicago High schools entered in the City Picked Platoon Competition.

The Usher Force, officiating at all assemblies, meetings, movies, etc., carried out its job with its usual efficiency. Members of the force deserve to be commended highly for their excellent work and ability in this capacity. Ralph Olsen headed the Force during the fall semester and George Karp ably took over this command in the spring.

Morgan Park's R. O. T. C. battalion also participated in the Army Day Parade of 15,000 downtown on April 8.

COLOR GUARD

COMPANY "A"

Officers' Club

The Officers' Club is an organization of all the officers of the R. O. T. C. The purpose of the club is to promote better relations between officers and the men and to further their military knowledge.

The officers for this semester are Cadet Major Fred Faulkner, president; Cadet Barry Splinter, vice-president; Cadet Lieutenant Walter Pruter, secretary-treasurer. The Officers' Club has held meetings every day for the past three months at 7 o'clock in the morning. At these meetings they were instructed in military theory and drill by Sgt. Ziel. The ultimate goal of the club is to get an honor school rating at Government Inspection which is held once a year in May. At this time, a group of officers, appointed by the War Department, inspects the battalion. At the time this goes to press we will not have had the inspection but we expect to get honor school rating this year.

One of the main functions of the Officers' Club is sponsoring the Military Ball. This year all of the cadets in the unit voted for an honorary colonel. The competition was keen but Cherie Gist finally came out on top. As a token of remembrance, she was presented a gold loving cup and a scroll signed by every man in the battalion, proclaiming her honorary colonel.

MASTER ENGRAVERS TO AMERICA'S SCHOOLS

An American

TRADITION

For more than half a century Pontiac has been producing QUALITY printing plates for all types of publication work and has established a reputation for dependable service which is unexcelled among photo-engravers. Everywhere Pontiac yearbook service men have become known for their friendly, helpful assistance and are recognized for their ability as specialists in the school publication field.

It has become "An American Tradition" for schools to select Pontiac as their engraver year after year, with the result that the number of annuals handled by Pontiac has steadily increased. Hundreds of these staffs have developed distinctive books with the assistance of Pontiac artists and have gained recognition for the originality and success of their publications.

The entire personnel of Pontiac Engraving & Electrotype Co. salute the publishers of this book for their splendid efforts in producing a fine yearbook. They invite other schools to join the thousands of satisfied Pontiac clients for assistance in the solution of their engraving problems.

Pontiac served as the Official Engraver to this book.
